

Introduction to Africa A+ Schools

Our Vision: Sustainable **whole-school transformation**. Schools that offer a **quality, future-based early education**, and teachers who see themselves as **agents of change** in children's lives.

Our Mission: To enable preschool to deliver a quality early education that prepares today's children to be tomorrow's citizens.

Our Methods:

- We nurture an entrepreneurial mind-set, problem-solving, innovation, critical thinking, collaboration, communication and creativity.
- We enable collaboration and capacitation: mutual engagement and joyful learning that takes an asset-based approach and values indigenous knowledge and skills.
- We offer professional development and sustained mentoring that supports implementation, national curricula outcomes, and accredited ECD training initiatives.
- We partner with funders and stakeholders committed to meaningful, sustainable changes in education and society.
